

September 2016	October 2016	November 2016	December 2016	January 2017	February 2017	March 2017	April 2017	May 2017	SUMMER 2017!
-------------------	-----------------	------------------	------------------	-----------------	------------------	---------------	---------------	-------------	-----------------

Pittsburgh Parks Conservancy's High School Urban EcoStewards program will form the backbone of the program. In the 2016017 school year, we anticipate working with approximately 150 students from the following schools:

- Pittsburgh CAPA
- Pittsburgh Alderdice
- Pittsburgh Westinghouse
- Pittsburgh Perry
- Western Pennsylvania School for the Deaf
- City Charter High School
- Propel Braddock Hills High School
- The Ellis School

The program has 3 curricular strands: ecological stewardship in our parks, immersion in environmental science content relevant to urban parks and landscapes, and reflective journaling about their experiences in the program.

Community Builder  
— GTECH  
Tool safety and construction skills

Waterways Warrior — VO  
Service paddles to on rivers/lake

**BADGE:**  
Conservation Leader  
Unlocks SCA National Crew Opportunity

Conservation Leadership Corps — SCA

Conservation Leadership Corps — SCA

Conservation Leadership Corps — SCA

Conservation Leadership Corps — SCA

Conservation Leadership Corps — SCA

CLC series of XPs is required preparation for SCA National Crew placement. Includes three camping weekends.

**PATHWAY KICKOFF EVENT**  
PPC, SCA, GTech, VO  
All HSUES schools  
Fun, social introduction to all the partners & the pathway
